Act 1

[Act one opens with Cole Rushstar aka Kid Dynamo II, Danny Muiltstar aka Robo Ghost, Inger DuFresne aka Night Nurse II and Jango Lott aka Blue Bullet standing in front of a haunted mansion, waiting for their given mission.]

Kid Dynamo II: ok team listen up, G.O. command has sent us here for an important mission. Recently, G.O. has been getting reports of strange things happening here. Well stranger than normal that is.

Robo Ghost: Why are they sending us then?

Kid Dynamo II: I don't know. Guess this is just someone's idea of a cruel joke or something. Any way Danny, Inger you are with me.

Blue Bullet: Oh! Oh! What about me Cole?

Kid Dynamo II: Oh no! You stay here. I'm not going to let you mess up this mission, Remember Canada?

Blue Bullet: Yeah! That trip was fun.

Kid Dynamo II: (shouts) YOU SHOT ME WITH A ROCKET LAUCHER!!! You can just stay here for all I care!

Blue Bullet: Can I drive the car?

Kid Dynamo II: You? Please, I don't even trust you in a bumper car.

[Cole and the others go into the Mansion, leaving Jango alone.]

Blue Bullet: Cole is a real nice guy to leave me with the car. I wish there was a way I could repay him. I know I'll wash the car for him, he's always saying it could use a good scrubbing. Now where is that sponge?

[while looking for the sponge, Jango presses a bottom which causes a rocket to be launched and flies in the air until it hits another car 50 yards away]

Kid Dynamo II: (voice only) Jango!

Blue Bullet: Not my fault... sorry.

End of Act 1

Act 2

Act 2 opens with Cole, Inger and Danny investigating the mansion

Night Nurse II: Cole, why are you so mean to Jango? He's only trying to help.

Kid Dynamo II: Oh don't get me started Inger, You and I both know what's he's capable of messing things up. And don't forget, he shout me with a Rocket Launcher!

Night Nurse II: You have a healing factor.

Kid Dynamo II: (shouts) NOT THE POINT!

[Danny walks to Cole.]

Robo Ghost: Ok, Cole I got nothing. There's nothing here.

Kid Dynamo II: All right, just go back and...

But before Cole could finish the Mansion starts shaking like there was an earthquake.

Night Nurse II: What's happening?

The mansion continues to shake until two figures appear. One was a dark being and the other was a light being.

Kid Dynamo II: (shouts) HOLY CRACK, GHOSTS!!!

All three : (screams) AAAAAAHHHHHHHHHHHHH!!!!!!

[Danny Screamed like a girl while Cole and Inger look at him in confusion.]

Night Nurse II: Danny, you're a ghost, go talk to them!

Robo Ghost: Ok, first off, I'm just a robot with ghost abilities, and I can't talk to real ghosts.

Kid Dynamo II: Just Go!

[Cole and Inger push Danny towards the ghosts]

Robo Ghost: ah...(shallows in fear) hi guys, my name is Robo Ghost and we're the Go Force Tomorrowers. we were sent here form G.O. command and...

[The two beings start to beat up Danny]

Robo Ghost: Ok...Ow, that hurts...Ow...easy...Owwww!

[then the beings throw Danny back to Inger and Cole, he lands at their feet. And lays there.]

Kid Dynamo II: So how did it go?

Robo Ghost: ah... not that bad, I think we reached an understanding.

Night Nurse II: What's up with you guys?

Dark being: (in a booming voice) SILIENCES!!!

Night Nurse II: (in a small voice) ok (she then goes to hide behind Cole)

Dark Ghost: My name is Rufus Bender aka The Phantom of Darkness. This is my brother Edger, better known as The Phantom of Light. He has the power to control light particles. While I can control darkness and shadow.

Phantom of Light: sup

Phantom of Darkness: We were the greatest Guardian Operatives in the order, until we were ambushed by Imperials. The result was our deaths.

Kid Dynamo II: ok, but how are you still here?

Phantom of Light: Somehow we still had our powers after we died, we then make new bodies for ourselves.

Phantom of Darkness: But Commander Norway Mothman didn't like that idea, so he exiled us here, Over 100 years ago.

Night Nurse II: So you've been here ever since than?

Phantom of Light: yes

Robo Ghost: wow sucks to be you guys!

Phantom of Darkness: Shut Up!

Phantom of Light: Yeah! It's bad enough we're dead and stuck here, now you're going to make fun of us for that?

Phantom of Darkness: For that You'll pay!

End of Act 2

Act 3

Phantom of Darkness: Foolish G.O. prepare to be...

Jango teleports behind the two ghosts

Blue Bullet: Hello

Jango scares the Ghosts

Phantom of Light: (screams) AH!

Phantom of Darkness: (screams) WHAT THE...!

Jango than walks to Cole and the others, while not noticing the Ghosts, as if they weren't there.

Blue Bullet: Hey Cole, which air freshener would you like? The one that looks like a tree or the lemon.

Kid Dynamo II: Um... Jango, I don't know if you've notice, but we're in a little...

Blue Bullet: What a minute! Do you ever get the feeling your being watched?...Ghosts I'm asking you a question!

Phantom of Darkness: Wha...who is this guy?

Black Phantom: is he with you?

Robo Ghost: Unfortunately, yes.

Phantom of Light: Whatever, Ok Blue boy, since we're going to let you have a chance to rescue your friends.

Phantom of Darkness: The only way to save them is to answer a series of riddles.

Blue Bullet: Oh! Is this like a game? I like games! One time Cole and I where playing hide and seek. Cole told me to hide under a big rock, I was under it for hours. Then when it was Cole's turn to hide, he told me that the only way he could win if he was dead. And I found water on Mars

Robo Ghost: It was a bottle of water on two mars bars!

Phantom of Darkness: Um... interesting

Kid Dynamo II: We're Doomed

Phantom of Darkness: Ok, now answer this question, what did Napoleon say when he was defeated?

Blue Bullet: Um... I give up

Phantom of Darkness: Darn it! They always get that one!

Phantom of Light: My turn, name a thing that gets wet the more it dries.

Robo Ghost: Ok Jango take your time... it's not like our lives are on the line.

Blue Bullet: A towel

Robo Ghost: (screams) AH! We're dead!!!!

Phantom of Light: (groans) correct

Blue Bullet: Yay! I win, what's my prize?

Phantom of Darkness: Not so fast blue boy! We've got more riddles for you and no one has never answer one and you are going to slip up on the next one.

[three hours later]

Phantom of Light: (groans) next one, I am a thing, when you go through one hole you come out three holes. What am I?

Blue Bullet: A shirt

Phantom of Light: Freak! Correct.

Phantom of Darkness: Stop It! Stop It! I can't take it anymore! No real person is able to get all these riddles right and not get at least one wrong! You and your friends get the heck out! You must be the biggest moron in the universe!

Kid Dynamo II: You have no idea.

Night Nurse II: Plus, He's not just a moron...

Robo Ghost: He's our moron!

Blue Bullet: (shouts) YAY ME!

Phantom of Light: don't care just get him out of here!

Kid Dynamo II: I feel your pain man.

[The four G.O. exit the mansion and walk back to the car.]

Night Nurse II: well

Kid Dynamo II: What?

Night Nurse II: Don't you have something to say to Jango?

Kid Dynamo II: Oh, Jango, Thank You for saving us and I'm sorry for all the times I yelled at you... and tried to kill you.

Blue Bullet: It's ok Cole, that's what friends are for.

[Cole gets a confused look on his face.]

Kid Dynamo II: Yeah...um, you know what Jango, You can drive for today.

Blue Bullet: Really? Yay! I get to drive, [Jango runs to the driver sit] um... how do I drop the anchor?

Kid Dynamo II: You know Inger, you're right, I should be a little nice to Jango.

Night Nurse II: Glad to hear it Cole.

Kid Dynamo II: I mean, maybe being actual friends with Jango won't be too bad, right?

[just than a rocket comes flying by and hits Cole]

Kid Dynamo II: (shouts) JANGO!!!

Blue Bullet: York did It!

York Heywood aka Yo-Yo Boy: (voice only) Like heck I did, and what are you talking about, I wasn't even it this story!
